Education

NIT BHOPAL

Master of Computer Applications (CGPA: 8.83*)

2024 – 2027

Bhopal, Madhya Pradesh

Bhaskaracharya College of Applied Sciences

Bachelor of Science (Honours) in Computer Science (CGPA: 8.12*)

2021 – 2024

University of Delhi

Mothers' International Academy School

Class 12th (94.4%)

2020

Madhupur, Jharkhand

Mothers' International Academy School

Class 10th (82.8%)

2018

Madhupur, Jharkhand

Technical Skills

- **Languages:** C++, Java, JavaScript, Python
- **Web Technologies:** HTML, CSS
- **Developer Tools:** VSCode, Jupyter Notebook, IntelliJ IDEA, Github
- **Technologies/Frameworks:** Springboot, MongoDB, ExpressJS, ReactJS, NodeJS, SQL

Internship Experience

Artificial Intelligence Intern - Edunet Foundation - IBM SKILLSBUILD

June 2025 - July 2025

- Learned the fundamentals of Artificial Intelligence (AI) and Machine Learning (ML), including key concepts like datasets, algorithms, model training, evaluation, and real-world applications.
- Built an Employee Salary Prediction model using Python, pandas, and scikit-learn.

Projects

AirBnbApp

12/2025

- Developed a RESTful Airbnb-like backend application using Spring Boot, supporting user authentication, property listings, bookings, and availability management.
- Implemented a dynamic pricing strategy that adjusts property prices based on booking duration, demand, and date ranges using Spring Data JPA and Hibernate, ensuring real-world pricing logic.

e-Voting Platform

11/2025

- Built a secure e-voting web app using React, Node.js, Express, Prisma, and PostgreSQL with role-based dashboards and JWT authentication.
- Implemented automated election scheduling, vote tallying, file uploads, and email notifications for real-time election management.

Employee Salary Prediction Platform

7/2025

- Built a machine learning model using Python and scikit-learn to predict employee salaries based on input features from a given dataset.
- Created an interactive web app using Streamlit for user-friendly input and real-time salary prediction.

Extra-Curricular Activities

- Secured 3rd rank in 1st year of graduation among all students in the department/class.
- Represented the College Football Team and participated in Inter-College Tournament organized by Delhi University in 23-2024.

Languages

- English: Fluent
- Hindi: Fluent
